Inspiration

Our Inspiration

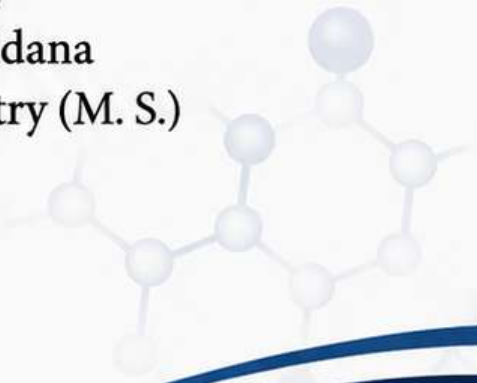

Late Hon'ble Dr. Rajendraji V. Gode

MBBS, MS (Gen. Surg.)

Founder President, IBSS Buldana

Ex. Minister of Home and Industry (M. S.)

From the President's Desk...

Hon'ble Shri. Yogendra R. Gode
President

I am delighted to welcome you to the Dr. Rajendra Gode College of Pharmacy (DRGCOP). At DRGCOP, our mission is to provide a synergistic environment that fosters new ideas and creativity, nurturing disciplined leaders and competent human resources in Science and Technology to confront global challenges.

We currently offer D. Pharm and B. Pharm programmes, placing great emphasis on personality and career development. We are committed to educating a new generation of leaders capable of shaping the future. Our institute operates on the belief that “true success is collective”. We motivate our students to reach their full potential and prepare them to thrive in their Pharmaceutical Sciences career paths.

At DRGCOP, we are devoted to excellence in teaching, learning, and research. The institute's techno-managerial atmosphere provides premium quality education and is beneficial to all incoming students. The college offers various facilities to help students successfully complete their professional degree and diploma. The pioneering research and outstanding teaching environment on campus will undoubtedly allow students to attain immense knowledge and professional achievements.

From The Secretary's Desk...

Hon'ble Ms. Tanvi Y. Gode

Secretary

At Dr. Rajendra Gode College of Pharmacy, we aim to provide our students with a holistic education that empowers well-rounded individuals. We equip our students with the knowledge, skills, and tools to become global citizens with a modern and scientific temperament, preparing each student to meet their challenges head-on.

We believe in “thinking beyond”—the DRGCOP family, including our students, is forward-thinking and motivated to find solutions to pertinent challenges. Our ultimate goal is cultivating global citizens who promote social justice and sustainability on an international scale.

From The Principal's Desk ...

Dr. H. S. Sawarkar

Principal

I am pleased to welcome you to DRGCOP, one of the leading Pharmacy Education Providers in Central India. Established in 2019, the college has completed three years of excellence and has molded innumerable students to become thorough professionals and better human beings. It is an institute where discipline, punctuality, and a conducive environment foster quality educational development in the frontier areas of Pharmaceutical Sciences.

The student-centric activities and overall grooming provided by our dedicated team of efficient teachers help students reach the top of the world. Our teacher-mentors help students extend the depth and breadth of their knowledge. I am confident that the training and placement team will go the extra mile to make students highly employable and well-rounded citizens.

GOVERNING BODY

Sr. No.	Name	Designation
1.	Shri. Yogendra R. Gode	President
2.	Ms. Sonali H. Dikey	Vice-President
3.	Ms. Tanvi Y. Gode	Secretary
4.	Smt. Ushatai R. Gode	Treasurer
5.	Mr. Madhavrao Mhaske	Member
6.	Smt. Indirabai H. Dikey	Member

8.	Dr. Deepak Umalkar	Member - Industry
9.	Dr. H.S. Sawarkar (Principal, DRGCOP, Amravati)	Member

DR. RAJENDRA GODE COLLEGE OF PHARMACY, AMRAVATI

AFFILIATED TO

Our Vision & Mission

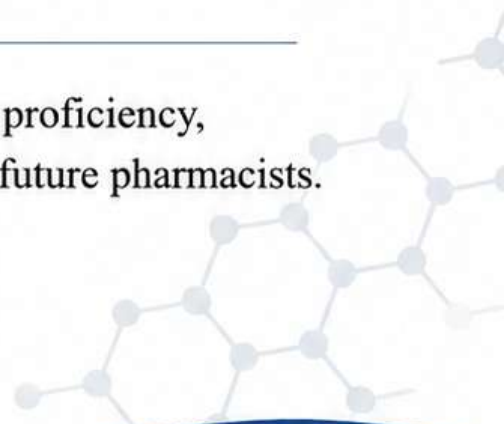

Our Vision

- To be a leading pharmacy college that serves as a vital resource for the community, advancing health outcomes through innovative education, research, and service.

Our Mission

- To ensure the long-term viability of healthcare by employing innovative measures and technologies.
- To empower students with the competencies needed to thrive in a constantly changing profession.
- Developing core values of excellence, proficiency, self-belief, and moral responsibility in future pharmacists.

About the Institute

The future of the world lies in the advancement of technology in every sphere. To fulfill the desire to participate in the nation's development, the **INDIRA BAHUDDSHIYA SHIKHAN SANSTHA, BULDANA (IBSSB)** was formed in 1986 with specific aims and objectives. Since then, a number of institutions have been established under its auspices in the urban and rural areas of the Buldana and Amravati districts of Maharashtra. Apart from conventional courses, the society has also started a number of professional, vocational, need-based, and job-oriented courses. Realizing the importance of Pharmacy education, IBSSB started the pharmacy college in Amravati in 2019-2020 and currently offers D. Pharm and B. Pharm courses.

IBSSB started its very first Pharmacy College in Malkapur, named Dr. Rajendra Gode College of Pharmacy, in 2005-2006. In a short span of time, IBSS gained immense popularity, generating tremendous confidence among parents and students. This resulted in the formation of the IBSS group of institutions, with Dr. Rajendra Gode Institute of Technology & Research, Amravati, being one of its gems. IBSSB caters to the principle of “**ABSOLUTE TRANSPARENCY**” in its teaching methods and examination conduction.

The Dr. Rajendra Gode College of Pharmacy, Amravati, was established in 2019 to promote excellence in pharmaceutical education and prepare young students to meet the challenges in pharmaceutical industries, education, research, development, and marketing. The college plans to start post-graduate courses in the future. Our learning system integrates mastery of fundamentals with cross-domain competencies. Modern infrastructural facilities have been provided to establish the organization as a “**RESEARCH INSTITUTE**” in the future, touching new horizons of success. We are determined to live by the statement:

“**WE NURTURE THE FUTURE**”

APPROVALS AND AFFILIATIONS

- ◆ Approved by Pharmacy Council of India (PCI), New Delhi.
- ◆ Approved by Directorate of Technical Education (DTE), Maharashtra State, Mumbai.
- ◆ Affiliated to Maharashtra State Board of Technical Education (MSBTE), Mumbai.
- ◆ Affiliated to Dr. Babasaheb Ambedkar Technological University (DBATU), Lonere, Raigad.

COURSES OFFERED

◆ **Diploma in Pharmacy (D. Pharm.) - 60 seats**

A two-year diploma course conducted by the Maharashtra State Board of Technical Education (MSBTE), which is highly popular for self-employment and entrepreneurship.

◆ **Bachelor of Pharmacy (B. Pharm.) - 100 Seats**

A four-year (8 semesters) bachelor's degree in pharmaceutical education. Graduates can build careers in production, quality control, regulatory affairs, marketing, pharmacovigilance, clinical trials, R&D, and civil services, or pursue higher education like M. Pharm, M.S., or MBA.

◆ **Bachelor of Pharmacy Direct Second Year**

After completing the D. Pharm course, eligible candidates can apply for direct admission to the second year of B. Pharm through the centralized admission process.

◆ **Master of Pharmacy (M. Pharm.) - Proposed**

A master's degree course specializing in pharmaceutical education, offering vast success probabilities, attractive salaries, and opportunities in pharmaceutical research.

◆ **Research Laboratory - Proposed**

The approval process for a research programme and world-class laboratory is in progress to support aspirants willing to engage in high-class research projects.

FACULTY OF DIPLOMA IN PHARMACY (D. PHARM)

Sr. No.	Name of Teaching Faculty	Designation
1	Mr. Gajanan M. Jawalkar	H.O.D.
2	Mr. Akshay B. Ghanmode	Lecturer
3	Mr. Akash S. Malthankar	Lecturer
4	Miss. Dnyanesha S. Somnathe	Lecturer
5	Miss. Mrunalini D. Behare	Lecturer
6	Ms. Samiksha. S. Charpe	Lecturer

ADMISSION DETAILS - ELIGIBILITY CRITERIA

Eligibility & Procedure

Candidates willing to secure admission to any of the following courses must fulfill the stipulated eligibility criteria and undergo the Centralized Admission Process (CAP). Admission to the courses are strictly done as per the rules and regulations of the Government of Maharashtra and the Director of Technical Education, Mumbai. These guidelines will be available on the website of the College www.rgcop.com as and when published by the concerned authorities.

Fee Structure

The annual tuition fees and other fees shall be as prescribed by the Fees Regulating Authority, Government of Maharashtra.

The admitted candidates will have to pay the fees in a single installment at the time of admission. No part payment shall be accepted.

All the fees should be paid in cash or by demand draft drawn on any scheduled bank in favor of "The Principal, Dr. Rajendra Gode College of Pharmacy, Amravati." or online mode.

Approved by Fees Regulating Authority, Maharashtra for Academic Year 2026-2027

Level	Status	Tuition Fee	Development Fee	Total Fee
B.Pharmacy	Fees for AY 2026-27	88368/-	9632/-	98,000/-
D.Pharmacy	Fees for AY 2026-27	78391/-	7839/-	86230/-

Concession in Fees

- **SC/ST/VJ/NT/SBC:** The candidates belonging to SC/ST/VJ/NT/SBC category will get 100% concession in tuition fees. They will have to pay only University and Development Fees.
- **OBC:** The candidates belonging to Other Backward Class category will get 50% concession in fees.
- **EBC:** The candidates belonging to Economically Backward Class category will get concessions as per the regulations of Government of Maharashtra.
- **NOTE:** All of the above mentioned concessions are applicable only after the fulfillment of required documents. These concessions are governed by the rules and regulations of the Maharashtra State and are subject to change. The Institute is not directly involved in granting these concessions in any manner.

Refund of Fees after cancellation of admission

The candidates who have been provisionally admitted may cancel admission by submitting application in the prescribed proforma and may request for refund of fees. However, such cancellation and refund of fees will be strictly as per the rules and regulations stipulated.

SOPHISTICATED INSTRUMENTS

Dissolution Test Apparatus

Disintegration Test Apparatus

Viscometer

HPLC

Flame Photometer

UV Spectrophotometer

INSTITUTIONAL FACILITIES

PHARMACEUTICS LABORATORY

Equipped with different instruments like propellers, agitators, stirrers, homogenizer, dissolution test apparatus, filling and sealing machines, oven, stability chamber, disintegration test apparatus etc. It is one truly practical laboratory for gaining practical experiences. The college is always purchasing sophisticated instruments to fulfil curriculum need.

PHARMACEUTICAL CHEMISTRY LABORATORY

The laboratory is continuously engaged for various experiments of synthesis of drugs to explore possibilities of finding newer molecules of therapeutic importance. Laboratory holds instrument like synthesis assemblies, distillation assembly, microwave ovens, hot plates, oil and water baths, MP apparatus, colorimeter, flame photometer, Refractometer, polarimeter, UV- visible spectrophotometer, conductometer, Potentiometer, Fluorimeter etc. Also contained with chemicals and reagents of practical use.

PHARMACOGNOSY LABORATORY

The subject deals with study of crude drugs of plant origin. Their characterization, extraction methods, isolation of essentials etc. The lab holds various instruments such as extraction assemblies, incinerators, Projection microscope, Compound microscope, Clevenger's apparatus, Soxhlet apparatus, grinders, soakers, desiccators, Camera lucida etc. Numerous charts and Permanent showing L.S., and T.S. of plants, their morphological appearance are also hanged over.

PHARMACOLOGY LABORATORY

This subject studies in regards to various animals to test them for activities of different synthetic as well as plant origin drugs. Laboratory is equipped with instruments of prime importance. Climbing rod apparatus, actophotometer, Sherrioten rotating drum, Eddy's hot plate, Digital telethermometer, Histamine Chamber, Stereotaxic apparatus, Animal cages etc.

ANATOMY & PHYSIOLOGY LABORATORY

Study of anatomy and physiology of human beings is of great importance as far as pharmaceutical sciences are concerned. Here various models showing human anatomical features are kept. Various charts showing different systems in human body are displayed. The kits for blood group detection, TLC, DLC detection are available permanent slides of histology of various organs are available.

LANGUAGE LABORATORY

Good Communication skill is a need of current scenario of every profession. Academic institutions must work on their students to make them fluent in languages. To make it happen, an institute must provide a state of the art language laboratory.

ANIMAL HOUSE

This houses animals like Mice, Rats, Rabbits, Frogs, and Guinea pigs to work on them of different experimental studies under the schemes of Pharmacology. This is of its own class and standard and is the unique in the university.

MEDICINAL GARDEN

Dr. Rajendra Gode College of Pharmacy is enriched with a blossoming Medicinal Garden having medicinal plants of rare species. The garden is of paramount importance in order to impart a basic knowledge of these medicinal plants in the subject of Pharmacognosy and Phytochemistry.

INSTITUTIONAL FACILITIES

TEACHING FACULTY

Institute provides a requisite number of highly qualified and experienced teachers in the staff to make it effective and well planned teaching programme. Our teachers are consistently involved in order training and faculty development programme to cater updated knowledge & skill required to stand our students on global platform.

ADMINISTRATIVE OFFICE

An administrative office at the entrance wel-comes you and is always ready to serve all those who need any kind of administrative help. The requisite number of office staff cater for the needs of student and all visitors.

LIBRARY

A rich library is one of the indispensable need of a progressive organization and education system. Our library has strived to expand and update its database. Its readily multiplying collection is poised to transform it into an extensive and in-depth treasure of books and National journals and international journals of Pharmacy and allied fields. E-Journal and e-books also serves a rich reference section in the library. The library works for 12 hours every day. The ventilated spacious reading room makes it a true place for study. In view of allied knowledge and to keep one updated day by day, we have subscribed multi-linguistic newspapers.

BOOK BANK

Students can avail number of books on simple deposit basis. The backward category students have free of cost availability of books for study on periodic basis.

CLASS ROOMS

The institute has required number of class rooms with adequate large seating capacity. Class rooms are greatly ventilated with audio-visual facilities for advanced teaching. The class rooms are modified to make teaching learner-friendly.

INSTITUTIONAL FACILITIES

COMPUTER LABORATORY

In the era of Information Technology, high configuration institute believes that besides being computer literate, today's pharmacist must be able to abridge the Information Technology with Pharmaceutical Sciences. The institute has a computer Laboratory equipped with computer machines with high speed internet facility. The institute also possess CD's and DVDs of Pharmaceutical subjects.

SEMINAR HALL

To support teaching and learning process at Dr. Rajendra Gode College of Pharmacy, we have a good seminar hall where the interactive sessions and interview with experts from the industries and academic world can take place. This is equipped with audio-visual aids like OHP, LCD, interactive boards etc. Eminent personalities of field can deliver the lectures.

TRAINING AND PLACEMENT CELL

To meet the requirement of outcome Based Education the training and placement cell arranges campus interviews, personality development lectures, collection and display of advertisements and for in- plant training during vacations as per requirements of university.

MUSEUM

Various pharmaceutical finished and packaged formulations, crude drugs, color pictures relating to Anatomy & Physiology, Pharmacognosy and Biotechnology have been exhibited in presentable manner in the museum to emphasize on their details and importance.

SPORTS

The college has provided sports facilities for outdoor games such as Cricket, Football, Volleyball, Kabaddi, Kho-kho etc. as well for indoor games such as Table - tennis, Carrom, Chess etc. Students enjoy the facilities provided and also achieve places and prizes at different levels.

STUDENTS COUNCIL

A student's council conducts different cultural activities and participate in youth festival, annual social gathering etc. The council works to form Student's Alumni Association whose able support and guidance helps institute to decide and make necessary changes in academics and administration.

STAFF COUNCIL

A staff council is established as per the regulations of DBATU Lonere, to look after the various activities related to students and staff in particular and institution in general.

GUEST ROOM

An executive guest room is available at college campus to facilitate accommodation of guests i.e. , examiners, parents of students etc.

SUGGESTION BOX

A suggestion box is provided to students, teachers and staff for giving thoughtful suggestions for continuous improvement.

CANTEEN

The college runs a canteen to provide necessary service to students and staff. The mess facility is also provided in the canteen.
